

# Position Available

The Lung Specialists of the Merrimack Valley, located 30 miles Northwest of Boston, is currently seeking a qualified board certified/eligible Pulmonary/Critical Care Specialist to join our four physician group. We currently provide services to two hospitals in the community, offering in-patient Pulmonary/Critical Care consultation, as well as assisting in the establishment of an Intensivist Program. Out-patient services are limited to Pulmonary and Sleep Medicine, with access to a state of the art four bed sleep laboratory, as well as pulmonary function and exercise testing.

Lowell, Massachusetts is a historic mill city located on the banks of the Merrimack River, offering easy access to many seasonal activities such as skiing and beaches, as well as cultural activities in both the Merrimack Valley and the greater Boston area.

Interested candidates should forward a cover letter with Curriculum Vita to my attention.

Joseph W. Walek, M.D., FCCP  
Lung Specialists of the Merrimack Valley  
275 Varnum Avenue, Suite 203  
Lowell, Massachusetts 01854  
Telephone: 978-934-9220
